Springs participated in the Temecula Relay for Life on May 16th. The team had a fun day together walking, talking, and supporting the Relay for Life community. The sweet blond boy is Cheryl Baumeister's boy, an ES, who walked 10 miles during the event.

Such a great day for the Springs community!

Summer Learning Programs

Intellectual engagement doesn't have to end when the school year does. In addition to jobs, internships and volunteering, students should consider summer learning programs. Colleges offer teens the chance to explore everything from the arts and sciences to languages and athletics.

Opportunities range from a single course at your local community college to an intensive residential program on a four-year campus.

The benefits of summer college study are many. Students get to preview college life, broaden their horizons and fend off the summer doldrums. They might even be able to earn credit for their work.

While programs can be expensive, some financial aid is available. The government also sponsors Upward Bound programs. These are designed for teens from low-income families or those who are the first in their family to attend college.

MSJC's Free STEM Summer Institute

High school juniors and seniors are invited to attend a free four-day STEM Summer Institute at Mt. San Jacinto College's Menifee Valley Campus.

The MSJC STEM (Science, Technology, Engineering and Math) Summer Institute will be held Friday, June 5 through Sunday, June 7 on the Menifee Valley Campus. The public is invited to hear Dr. Pam Clute as she kicks off the event at 7p.m. on Friday.

Dr. Clute is special assistant to the Chancellor and Professor of Mathematics at the University of California, Riverside. During the event, students will participate in hands-on activities, workshops and other activities that will show how important STEM is to our region's economy.

Register Today at: <https://msjstemsi2015.eventbrite.com>

For information: STEM@msjc.edu or print the flyer from the Moodle INB page.

IT =
Ideas Team

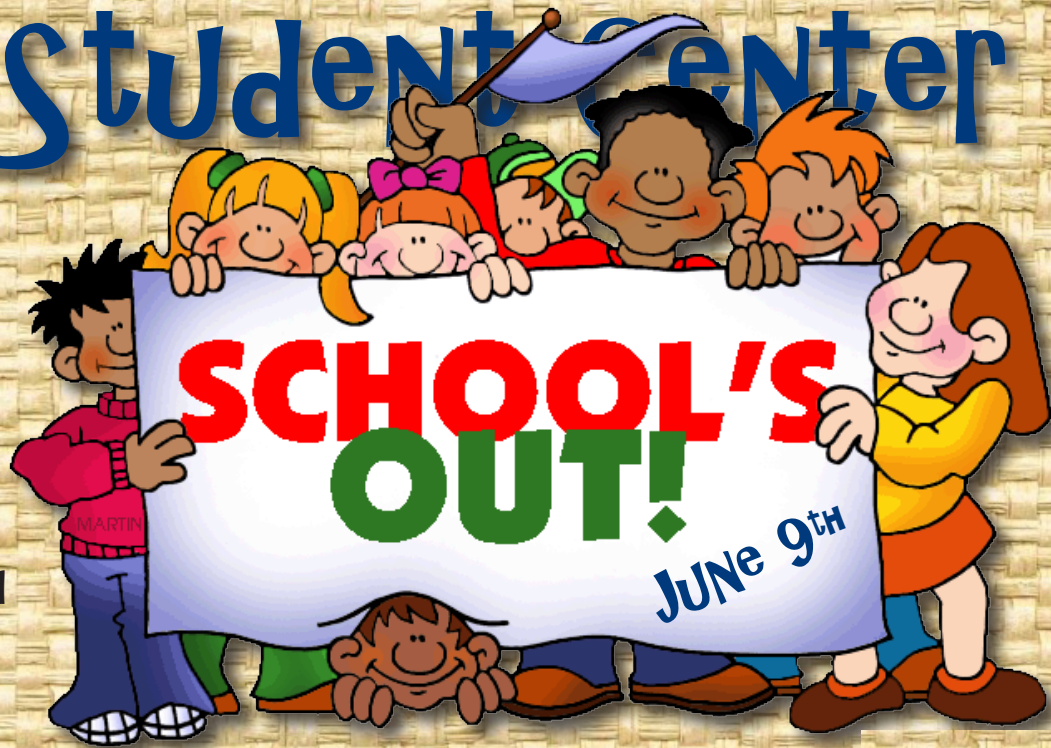

- Our IT team successfully supported the students and teachers at 12 schools and 6 remote sites for CAASPP testing! Great Job, Dammon, Dan, Drea, Nick, and TJ!
- River Springs Charter School has purchased a new building at 4260 Tequesquite Ave in Riverside as a replacement for the Magnolia Student Center. More exciting updates to come!

- Facilities is moving forward with the plans for a new, updated site at our Flabob Airport Preparatory Academy. Keep an eye on future INBs for more updates!

Corona Student Center

We had a wonderful turn out for our first Mosaic Talent Show at Corona Student Center. From lyrical dance to a magic show, our students have displayed a wonderful range of talent.

More than anything, the event brought together students from all grade levels, K-8. The community came to support and watch our very talented Mosaic students. We are so very proud of all of our students. We can't wait to have another one in the fall of 2015.

Hemet Student Center

Hemet Police Department Sargents Dombrowski and Nacua visited our high school students for a short assembly on public safety, teen driving, and the importance of attending school.

They also shared information on their Police Explorers Cadet program and encouraged our students who foresee a future in law enforcement to enroll. Building community and emotional safety amongst our valley's finest.

iSHINE Learning Center

Learning was hands on and quite messy this past month in iShine enrichment classes. Third and fourth graders had a chance to work on Science Fair experiments of their choosing. They certainly channeled their inner scientist!

iSHINE Learning Center

In celebration of Earth Day, 1st and 2nd graders learned about how birds are affected by oil spills.

Upcoming events at iShine Learning Center:

- 8th grade promotion
- Kindergarten promotion
- Performing arts show

All on Friday, May 29th at 5:30pm

Magnolia Student Center

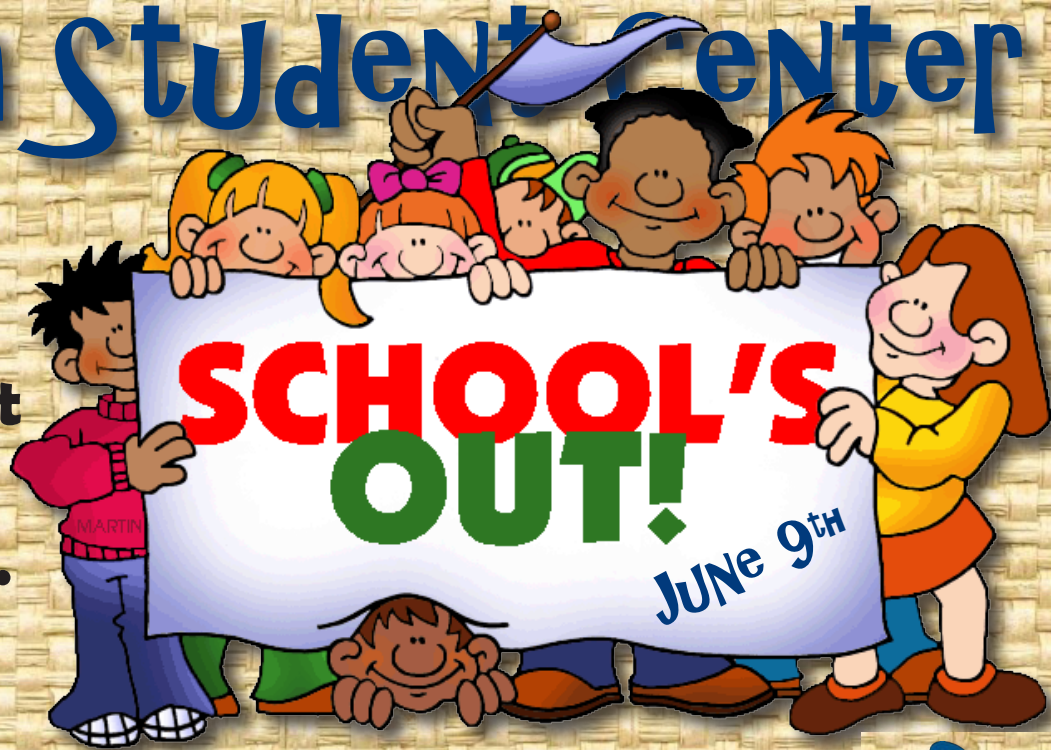

100 Mile Club Comes to Magnolia Student Center

Students and Staff from Magnolia Student Center had the opportunity to take on a big task, join the 100 mile club with only 13 weeks left of school. Currently we have almost 70 participants in our walking program and have many who have reached the 25 mile mark, 50 mile mark and even the 75 mile mark to date! Incentives are given for every milestone reached, the first being these awesome t-shirts! Way to!

Orange County Student Center

In Mrs. Brinks Gardening Workshop, the class has been successful in growing sunflowers, marigolds and artichokes!

Everyone had fun drawing and painting Seagulls in the K/1 Arts and Crafts Class. We learned about the layers of the ocean and then created an ocean "Under the Sea" art work. The photos display pride for their Seagull artwork!

Otay Ranch Student Center

Otay Ranch Academy for the Arts celebrated its first annual Family Fun Day on Saturday, May 16th. Activities included a bouncy house, games, photo booth, face painting, and a 9 hole miniature golf course designed and built by ORAA middle school students. Over 15 business vendors set up and there was plenty of food including Bosnian Grill, 5150 Café, and Kona Ice. Beautiful baskets sponsored by our K-8th grade classes were raffled off at the end of the day. Springs info booths were set up and tours went on throughout the day. Thank you to all who came down from Admin. We enjoyed celebrating a day with all of our families and staff.

Riverside Student Center

Riverside Student Center held its first ever Family Karaoke Night!! Many people from both Mosaic and Learning Center Programs attended to witness the 3 Karaoke Rooms for the evening. Students and parents took to the likings of Taylor Swift, Maroon 5, Ed Sheeran, Darius Rucker, Carrie Underwood, and many many more while learning to "Let It Go" on the mic!!

By the way, if you missed it, you also missed the much anticipated Karaoke styling of the Riverside Crew who are always up for some karaoke!! Thank you to all of the staff and teachers who attended, spread the word, helped out to support the event, and to sing!!

RiverSide Learning Center

Mr. Adkins has started the Riverside Learning Center Debate Club. The middle school students meet on Thursdays at lunch. They enjoy great discussions on various topics.

In Mrs. Jorgensen's Art Meet the Masters class, students created an island scene with oil pastels in the style of Paul Gauguin. Look how great they all turned out!

Upcoming Events:
June 2nd and 4th —
Musical Theater Show

RiverSide Learning Center

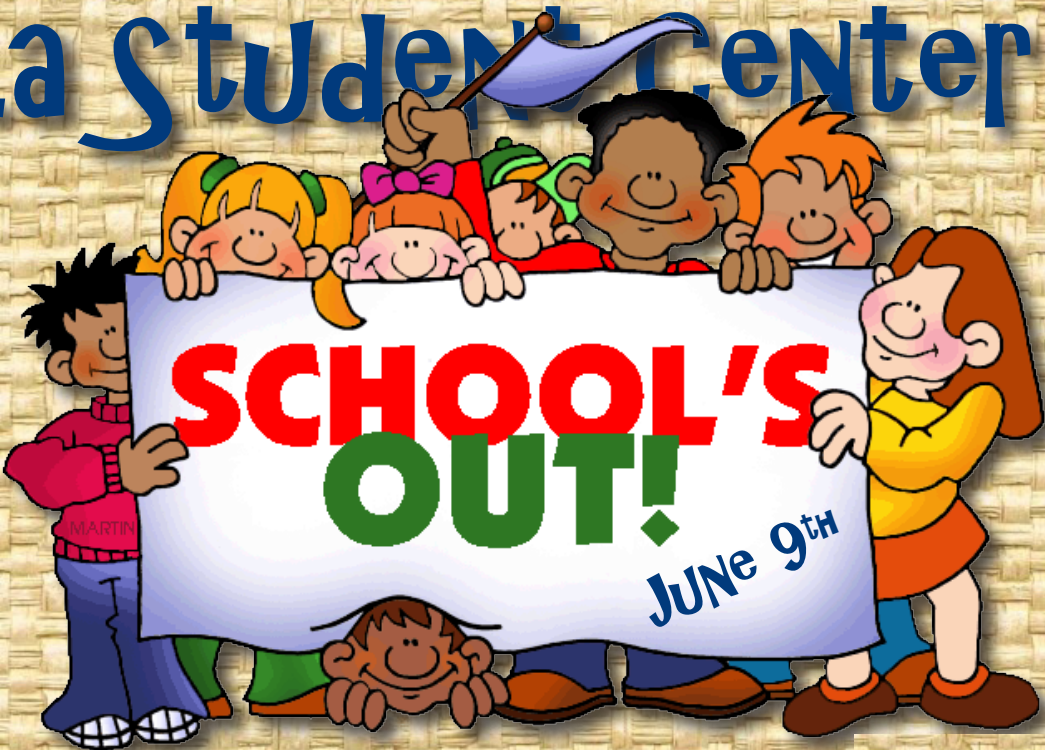

The Riverside Learning Center had its very first Karaoke night.

Students sure had a great time singing and dancing to their favorite songs!

Temecula Student Center

Temecula Valley Entrepreneur's Exchange hosted their annual Youth Innovation Conference on May 2nd, 2015. It was an exciting opportunity for our CTE Intro to Business students to learn about the many avenues of business development while competing to create a winning pitch! After amazing talks by Community Business Leaders, our Springs Charter Schools

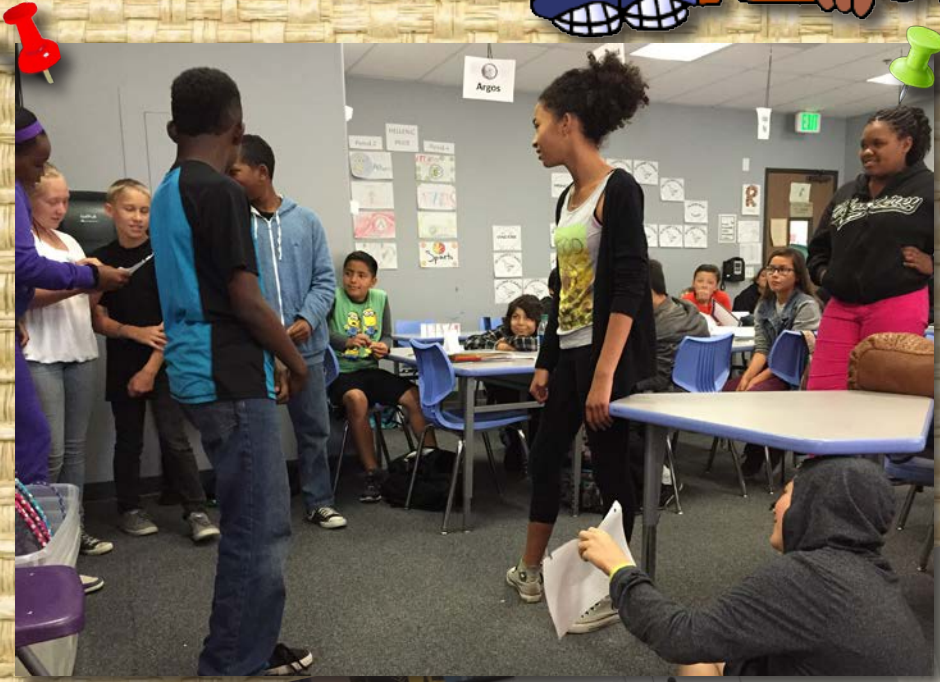

were placed in groups with students from other schools in the area to collaborate and come up with a product idea to benefit our Temecula Community. Our three school representatives, all came home with prizes and participant certificates included:

- Julian Eshkol- 9th grade. His team won first prize.**
- Ayelen Kirchhoff- 12th grade. Her team won second place.**
- Ariana Gamboa- 9th grade. Her team tied third place.**

Students in Mr. Rusnak's 6th grade Humanities classes perform skits based on fables they wrote in the style of Aesop.

Temecula Student Center

Thanks to Mr. William and his amazing lunch supervision crew, in addition to your efforts prepping the kids, the Earth Day No-Waste Lunch Challenge was a tremendous success. On Wednesday, William and Da Krew weighed the trash generated by each of the four lunch blocks. The eye-opening results are noted below.

K-1: 25.2 lbs.

2-3: 13.4 lbs.

4-5: 12.8 lbs.

Middle School: 5.6 lbs.

TOTAL: 57 Pounds!

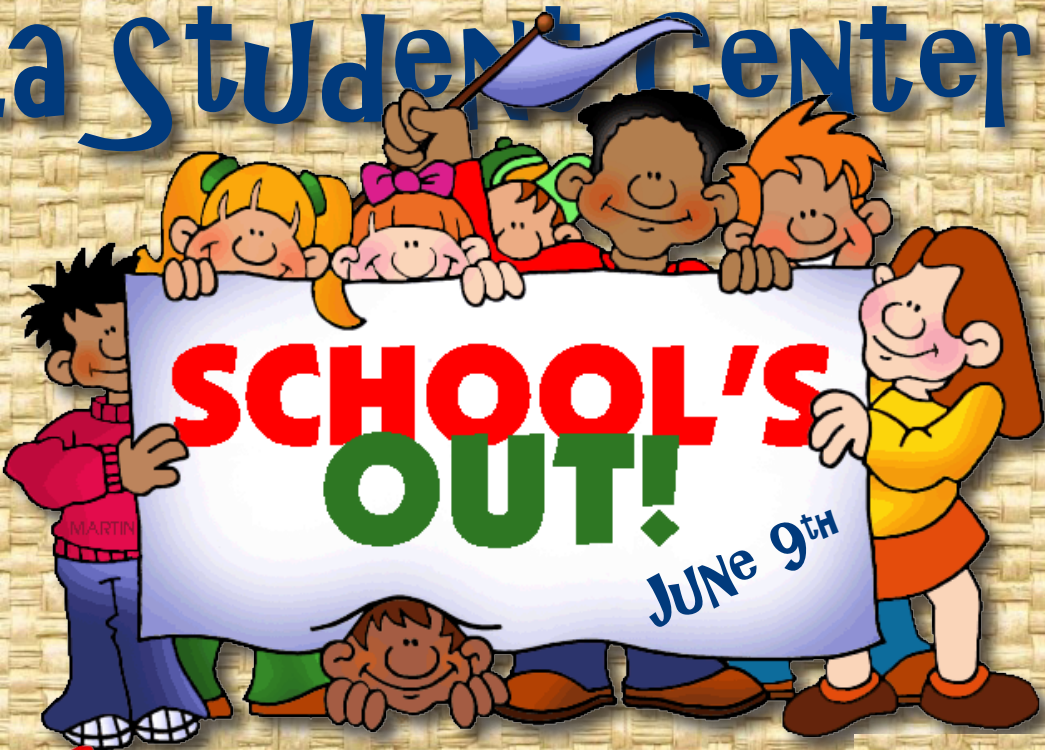

Special shout-out to Robin Felix and Rosario Marquez for their wonderful work with the K-8 students in expressing the EarthDay message through the arts.
