### Mission & Vision

Springs Charter Schools was created and is operated by parents. We understand that every child is on a personalized educational journey. Our talented teachers work hard to incorporate a rich diversity of skills development, curriculum, and extracurricular activity into each day. Our staff works hard to direct our schools' resources where our students need them most.

We value: parent choice and involvement, using the community as the classroom, fostering a child's innate creativity, collaborating to achieve goals, building relationships, and personalizing learning. As a charter school, we are part of the solution to a better education system. We are dedicated to ensuring that we leave no student behind!

Registration online available on our Website,

Temeku Hills Golf and Country Club has become one of Temecula's premier golfing facilities. This 6,636 yard Ted Robinson Design was opened in 1995 to rave reviews and since then the golf course has been freshly updated by P. Dye. Temeku Hills Golf and Country Club now offers exciting wine country golf for the novice player all the way up to the most experienced tournament player.

Temeku Hills offers a rolling topography with five lakes, numerous doglegs, beautiful, challenging greens, and four sets of tees to accommodate all golfers. Temeku Hills is a golfer's paradise sitting in the middle of beautiful Temecula Wine Country.
