Teen CERT Class - April 1, 2, and 3

- Teen CERT training is for 9th to 12th graders.
- There is no cost for the training.
- Only those who successfully complete the practical exercise with hands-on instruction in fire suppression, search and rescue, cribbing, and disaster medical operations will receive a certificate of completion.
- Participants will receive a CERT backpack containing emergency equipment, and credit for 20 hours of community service.

Adult CERT Class - April 29 through May 1

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number of victims. CERT is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own. Through training, citizens can manage utilities, put out small fires and treat the three killers by opening the airway, controlling bleeding, and treating for shock. CERT member can provide basic medical aid, search for and rescue victims safely and organize themselves to help mitigate disasters. CERT training is a commitment of 20 hours and there is no cost for the training. Only those who successfully complete the practical exercise with hands-on instruction in fire suppression, search and rescue, cribbing, and medical will receive a certificate of completion and a CERT backpack containing emergency equipment.

Student Of The MONTH

On March 3, 2016, the Murrieta Chamber of Commerce High School Student of the Month Program was held and the students shown above were recognized. Shown standing from left to right are: Rick Gibbs, Murrieta Mayor Pro Tem; Pat Kelley, MVUSD Superintendent; Margaret Jones, SOM Chair; Jen Pham, SOM Chair and Patrick Ellis, Murrieta Chamber of Commerce CEO. Shown sitting left to right are: Nathan Barr (Murrieta Valley High School); Alexis Halley (Springs Charter School); Janelle Custodio (Vista Murrieta High School); Katelyn Dykhouse (Calvary Murrieta Christian); Thomas Alipranti (Murrieta Mesa High School); and Oliver Waterfall (Oak Grove).

Springs Charter Schools Senior Alexis Halley attends Venture Online Academy where she has taken charge of her learning in the online independent study program. Alexis grew up riding horses, making music, and skateboarding. She has a passion to build things and create. She changed schools six times and the changes in her life made focusing on school difficult. Her perseverance, hard work, and fortitude enabled her to overcome those challenges and Alexis now has a 4.0 GPA. Alexis said her outlook on life has improved and she has learned that no matter how dark life may seem, there is always light at the end of the tunnel and you have to go for it. Alexis plans to attend Palomar Community College where she will study mechanical engineering.

Have You Heard?

Springs Charter Schools will have a booth at the
Temecula Valley Balloon & Wine Festival.

We will need staff volunteers to run the booth for the duration of
the weekend. The purpose of the event is to spread the word about
all Springs Charter Schools programs. Come help us represent your
program!

A volunteer shift gets you FREE entry into the event for that day. Come
hang out with us for a bit then stay & play!

Easy!

Thanks to everyone who helped work the Springs booth at the 2016 Temecula Valley Fair. We had a great time seeing co-workers we don't usually get to spend time with and had a lot of fun! It was a successful weekend educating people about all we have to offer at Springs and we even took 7 applications right there at the booth!

If you have any suggestions about how we can make our time at the Fair and other events even better, please let Julianna know (Julianna.Hubell@SpringsCS.org). Contact her if you would like to work more events like this... we are always looking for great people to spread the word about Springs.

CELEBRATION OF STUDENT ACHIEVEMENT

Tim Sanchez, Internship student from Tequesquite Student Center, graduated from the Riverside Fire Department Explorer Program on Wednesday, March 9, 2016. Tim is a high school junior who requested an internship with the explorer program in April, 2016. He applied and had to wait for an opportunity to open up and it did on September 2016. Tim's hard work and dedication to this program allowed him to achieve a 98% on his final written exam and he successfully completed his practical evaluation in 45 seconds. Tim's family and friends gathered for the event and expressed how proud they were that he has been so successful in the program. Tim will now be eligible to participate in the Riverside Fire Department Explorers program at the next level.

MURRIETA STUDENT CENTER

Principal Mark Shalhoub wins a new 32" Flat-screen HD TV by stopping by the Ed Map booth at the Charter Schools Conference in Long Beach earlier this month. Ed Map helps busy charter administrators by taking off their shoulders all the tasks associated with procuring instructional materials such as: sourcing, purchasing, storing, and delivering (directly to the student's home or inbox, or any specified location) textbooks, digital learning, and every kind of instructional material the teachers and students need.

Mark with his new TV and shaking hands with Ed Map VP Sales Andrew Herd.

Come join us for some carnival games, yummy food, and shopping from our various vendors. April 9th from 10:00 a.m. to 2:00 p.m. at the Murrieta Student Center.

ORANGE COUNTY LEARNING CENTER

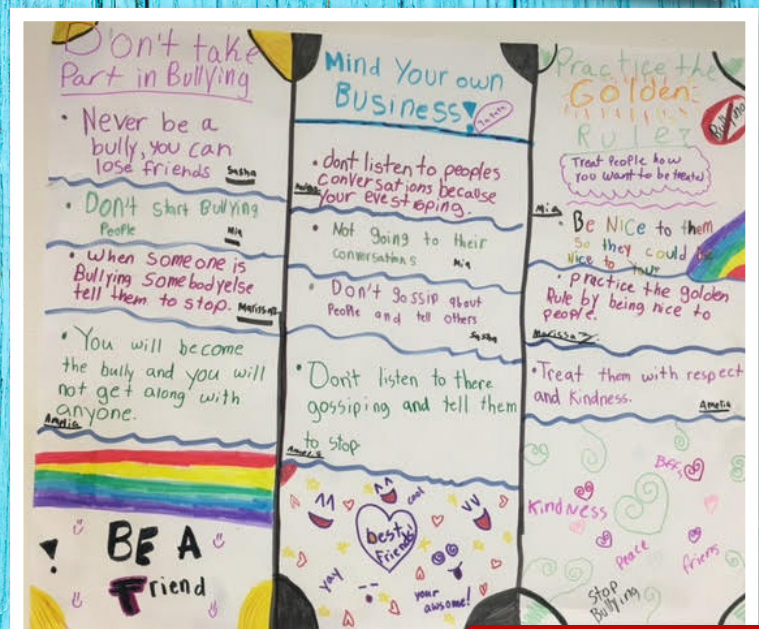

- At our OC Learning Center we try to give students as many opportunities as possible - even if that means writing on our windows. Here are two of our students practicing their perimeter and area of quadrilaterals.
- We had a wonderful outcome for the art show this past month.

OTAY RANCH STUDENT CENTER

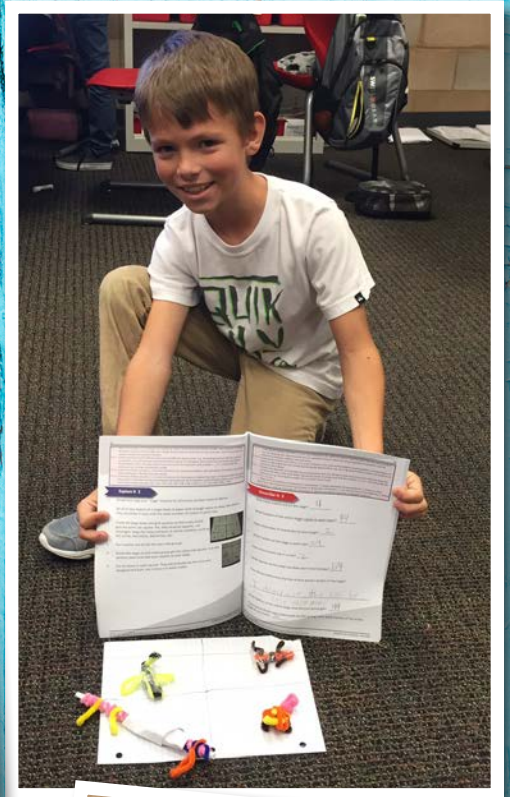

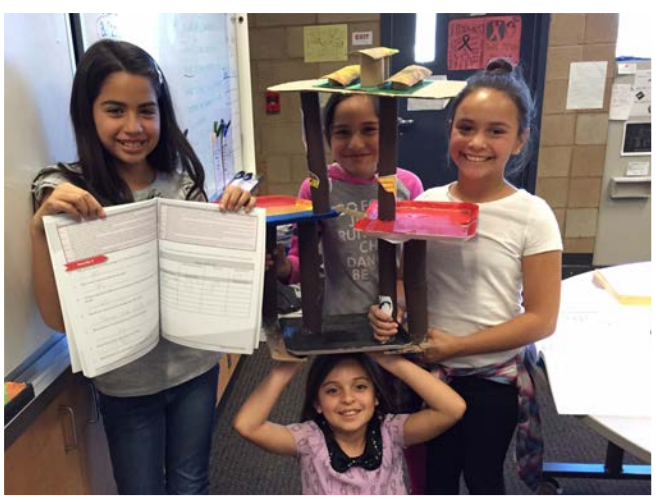

- TPS 5th graders are showing their comprehension of fractions through fun TPS activities. They use the die-cut machine to create their math concept posters.
- 4th graders made posters showing solutions to attacking and solving the issue of bullying.
- Middles schoolers use multiple mediums to create sculptures armatures.

VENTURE ONLINE ACADEMY

Venture Online Academy would like to feature one of our seventh graders, Madison Hall. As you know, Venture supports students following their dreams and we are so proud of Madison. She is 12 years old and a seventh grader at Venture Online Academy. Madison has been acting since she was just 10 months old. Venture Online has been such a great place to allow her the flexibility to continue working on her craft and schoolwork at the same time. When she's not busy doing school work or on set filming her next project you can find her cooking or writing a song. You can catch her on Nickelodeon's *Bella and The Bulldogs*, and *Angie Tribeca*.
