Saturday, September 12, 2015
From 8:00 am to 1:30 pm
Temeku Country Club Estates, The Legends
41687 Temeku Drive, Temecula, CA 92591

All of Springs – Parents, Board Members, Staff, Vendors, and Supporters – are invited to participate for both a bonding time and a fun time of golf. We will begin at 8:00 am (arrival 7:00 - 7:30 am) until 1:30 pm, culminating with a sit down luncheon in a beautiful banquet room. The funds raised during this outing will be re-directed back to students in terms of scholarships and teacher grants.

The event is the traditional Shot Gun approach, each starting at a different hole. A tax free donation of \$125.00/person includes: golfing, goodie bag, golf cart, luncheon, drink voucher, and a chance to win a 2015 Corolla S for a Hole-in-One, thanks to our friends of Temecula Valley Toyota!

On the weekend of July 31st the Temecula Fire Department with the Temecula Citizen Corps were able to provide the Springs Charter Schools employees 20 hours of Community Emergency Response Training. Approximately 30 employees successfully completed the training over the weekend and were given their starter CERT response back packs. The school staff had many great questions and worked many emergency scenarios out so that they could further improve their planning and preparedness for the emergencies that could occur such as fire, earthquakes, power outages, flooding, and more. It was very evident by the hard work and eagerness to learn and improve their skill hands-on with search and rescue, triaging, and cribbing that the personnel at the school has a great care for their students.

We look forward to helping more employees of the school complete their CERT training so that their plan of preparedness and emergency response is one of the best in the Temecula Valley.

"Victims" are Springs Payroll Manager, Heather Schaffner, and family members.

On May 19, 2015, the Riverside County SELPA Community Advisory Committee (CAC) recognized Ernestina Castillo, Special Education Compliance Technician, among our district's exceptional teachers, para-educators, administrators, and others who have provided positive contributions & support to the lives of students with special needs! She was nominated by our Springs Special Education Director, Kathy Cox.

Ernestina has worked for Springs Charter Schools for 4 years, she is the most "Senior" member of the Special Education Administrative Support Team. Ernestina takes great care to ensure student records are complete and maintained appropriately.

Ernestina always has a smile on her face, brings a positive energy to the office, and is always willing to jump in and help with a project at any time. The logistics of the Springs Charter Schools program locations requires much of the staff to work in areas not easily accessible to the administrative offices. Ernestina willingly addresses staff needs out in the field by promptly and efficiently responding to emails, calls, and requests for assistance with SEIS, our special education database. Ernestina's dedication to ensuring students, staff, and families receive all the services they need is unwavering. It is a pleasure to have Ernestina on the Springs Charter Schools Special Education team!
