Program information

Come join the fun and spend the day learning and exploring the L.A. County Fair. There will be countless exhibits and attractions designed to inspire a love of learning. Fair exhibits include Flowers and Garden Pavilion, America's Kids Adventures in Literature, Jurassic Planet, Mojo's Wild and Crazy Lagoon, The Big Red Barn, and The Land of Frogs, Princesses, and Knights just to mention a few.

ALL IN ALIGNMENT WITH CALIFORNIA DEPARTMENT OF EDUCATION CURRICULUM STANDARDS.

OUR BODY: THE UNIVERSE WITHIN program goes "under the skin," literally as well as figuratively, revealing the complexity of the human body and allowing students an up-close, three-dimensional look at their inner make-up. Rather than use models of the human body, OUR BODY uses actual human bodies to provide students and guests alike a look at what normally only doctors and scientists are allowed to see first-hand, making this a once in a lifetime experience. RECOMMENDED FOR GRADES 9-12th; however, younger students may attend. PARENT DISCRETION IS ADVISED.

Separate pre-registration required; limited space available (first serve basis); limit 1 adult per homeschool family.
