PROGRAM INFORMATION

**TANAKA
FARMS
Pumpkin Patch & Veggie Farm**

Fall is right around the corner and Tanaka Farms pumpkin patch and vegetable farm provides an exciting environment for adults and children of all ages.

Take a wagon ride from the farm to the petting zoo with over 40 animals including sheep, goats, and alpacas.

Afterwards, you'll climb back on board for a tour around the 30 acre working farm where you can get lost in fun while exploring their one acre corn maze.

See how they grow vegetables and pick a few to take home. Nothing tastes better than vegetables at their freshest.

At the end of your visit you can pick your very own pumpkin right from the vine. How cool is that!
