► CALIFORNIAN CHALLENGE

GRADES 7TH-12TH,

9:00AM—4:00PM

Program Information

DON'T WAIT TO REGISTER FOR ONE OF THESE 2 EXCITING PROGRAMS; SPACE IS LIMITED.

The Californian Challenge is an exciting opportunity for students to participate in team-building activities aboard historical vessels.

The program consists of tours of the ships, rowing in the bay, and climbing out (in climbing harnesses) on the Californian's jibboom. This will prepare the students for sailing (yes sailing) the tall ship Schooner Californian in the afternoon. They also will be firing the ships guns to salute the Star of India as they return to the dock.

► ADVENTURE TOUR

GRADES 3RD-6TH,

9:30AM—2:30PM

The Adventure Tour offers a unique hands-on approach opportunity to teach students about Pirates and the Sailors life during the 18th century by exploring real life exhibits and participating in hands on activities. The program includes:

- Guided tour by our Education staff of the Star of India (World's oldest active tall-ship) with a sail raising activity
- Rowing lesson and rowing out on San Diego Bay aboard one of our longboats
- Black powder gun or cannon demonstration on the Museum barge
- 45 minute tour around San Diego Bay on the historic 1914 Pilot Boat

After the program, you can take a self guided tour of the Museum's other ships and submarines including the HMS Surprise (featured in Master and Commander and Pirates of the Caribbean 4) as well as the USS Dolphin (deepest diving submarine) at your own pace. (subject to availability)
