Adapted from Margaret Wise Brown's sixty-year-old classic, GOODNIGHT MOON is a celebration of familiar nighttime rituals, while THE RUNAWAY BUNNY tells the tale of a little bunny who can't seem to escape his mother's love, no matter how far he travels.

Featuring large-scale puppets, stunning scenic effects and evocative music that have earned international recognition for Nova Scotia's Mermaid Theatre, this staged adaptation brings a fresh appreciation of the stories and images that have delighted children for generations.
