A magical "tale as old as time" that will delight your entire family!

Step into the magical world of Disney where you will be transported to the heart of a quaint French town, where the beautiful and intelligent Belle yearns for something more than her provincial life. When her father gets lost in the woods, he seeks shelter in an old castle but is soon taken captive by the master of the house--a horrible beast. Belle surrenders her freedom to save her father's life and, while captive in the beast's enchanted castle, she and the Beast must learn lessons about forgiveness, loyalty and love. But will they learn soon enough?
