Field Trip Photography Disclaimer: "Please be advised that photographs will be taken at this event for use on the SCS website, marketing materials, and all other SCS publications. If you do not want you or your child to be photographed please advise the Field Trip Coordinator."

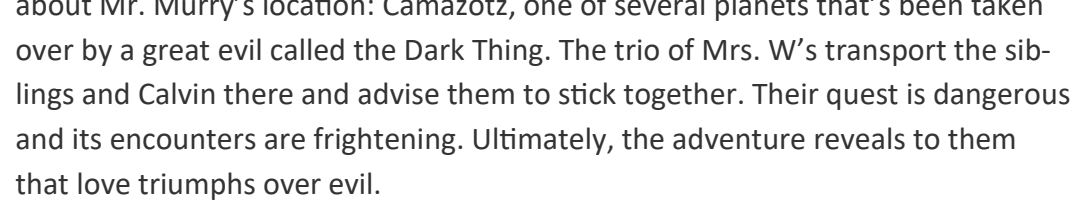

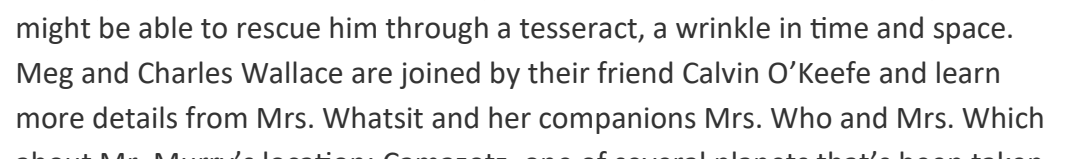

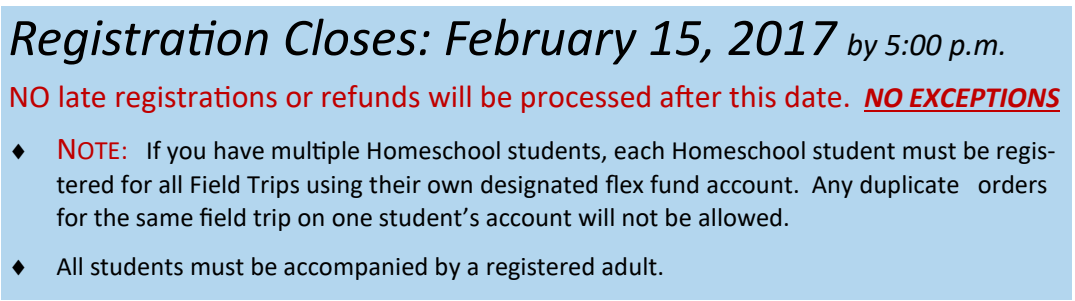

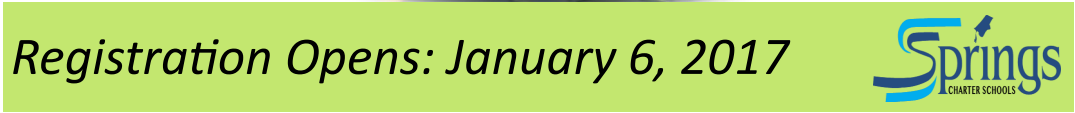

PROGRAM INFORMATION

A Wrinkle in Time

Directed by [Meg DeBoard](#)
Adapted for the Stage by James Sie
From the Novel by [Madeleine L'Engle](#)

The father of Meg Murry and her brother Charles Wallace has been missing for more than a year. When the siblings are visited by celestial creature Mrs. Whatsit, they find out he has been held captive by wicked forces on another planet and might be able to rescue him through a tesseract, a wrinkle in time and space. Meg and Charles Wallace are joined by their friend Calvin O'Keefe and learn more details from Mrs. Whatsit and her companions Mrs. Who and Mrs. Which about Mr. Murry's location: Camazotz, one of several planets that's been taken over by a great evil called the Dark Thing. The trio of Mrs. W's transport the siblings and Calvin there and advise them to stick together. Their quest is dangerous and its encounters are frightening. Ultimately, the adventure reveals to them that love triumphs over evil.
