Program Information

COVERED WAGON TOUR

Enter into an Old West Experience as you travel through the Coachella Valley Desert in a Mule-Drawn Covered Wagon.

This two hour program includes a wagon excursion in part along the infamous San Andreas Fault and Horseshoe Palms Oasis. Covered Wagon Tours' muleskinners are real cowboys and blacksmith, these long-time desert dwellers navigate the team of mules drawing your wagon across long-established desert trails.

This is a unique learning experience for students as Naturalist guides help students discover information from flora and fauna, to geology, to indigenous populations, and the westward expansion.
