Registration Closes: October 1, 2017 by 5:00 p.m.

NO late registrations or refunds will be processed after this date. NO EXCEPTIONS

- ◆ **NOTE:** If you have multiple Homeschool students, each Homeschool student must be registered for all Field Trips using their own designated flex fund account. Any duplicate orders for the same field trip on one student's account will not be allowed.
- ◆ All students must be accompanied by a registered adult.

Field Trip Photography Disclaimer: "Please be advised that photographs will be taken at this event for use on the SCS website, marketing materials, and all other SCS publications. If you do not want you or your child to be photographed please advise the Field Trip Coordinator."

Special Guidelines:

- ◆ Space is limited; first serve.
- ◆ No use of membership passes.
- ◆ Recommended for K-8th; but no children under 5 years old.

Join us aboard the SEA STAR ~
A unique floating laboratory
for a fun, "Hands-On" Marine
Science Learning Experience.

**PROGRAM INFORMATION**

On this fun-filled voyage, students' become "Ocean Explorers" as they head to open waters to discover the ecological treasures of the sea.

PARKING:

FREE
(subject to change)

Investigating the biological and physical properties of local ocean waters is an exceptional learning experience everyone can enjoy.

This 4 hour excursion aboard the 60 foot Sea Star includes on-board stations where students learn an appreciation for marine life, eco-systems, and how their daily lives connect to the sea.

- ◆ Discover by "hands-on" examination many living marine specimens sampled from the ocean floor with use of an otter trawl net.
- ◆ Study micro-organisms collected with a plankton trawl net and examined by using a color video microscope with LCD monitor.
- ◆ Observe and learn details about marine birds and mammals and their habitats.
- ◆ Measure marine environmental conditions with oceanographic instruments.
