PROGRAM INFORMATION

Amazing Arthropods!

Come and discover the amazing world of invertebrates, specifically arthropods! As the most diverse and numerous group of animals on the planet, arthropods are incredibly diverse but all share some important features. At this Homeschool Day, take a closer look at what they all have in common, and see how these incredible creatures play a role in our everyday lives. Explore the Nature Gardens, talk with Museum scientists, and investigate the NHMLA unique collections to uncover some truly astounding arthropods.

Homeschool Days are self-guided explorations of the Museum. However, the NHMLA provides special opportunities in the mornings until 12:00 pm with unique set of programming such as free access to traveling exhibits, drop-in activities and exploring their collections with Museum researchers!
