In a magical kingdom under the sea, the beautiful young mermaid, Ariel, longs to leave her ocean home to be part of the world above.

Mermaid princess Ariel is fascinated by the world and lives of the people who live on dry land, and hopes to someday join them, though her father King Triton forbids contact. When she falls in love from afar with human Prince Eric, she makes a deal with her father's sister and enemy Ursula. She is temporarily transformed into a human and may remain so if she wins the kiss of true love from her prince within three days. The dangerous mission leads to a showdown between good and evil forces, which only love can remedy.
