## 2017-20 Plan Summary

### THE STORY

Briefly describe the students and community and how the LEA serves them.

#### Our Mission

Our mission is to empower students by fostering their innate curiosity, engaging their parents, and promoting optimum learning by collaboratively developing a personalized learning program for each student.

The school vision for student success is evident throughout the LCAP and focuses specifically on the school pillar of personalized learning. This is evident throughout goal 6: "Continue to support parent choice and personalized learning." Student empowerment and optimum learning is evidenced in all goals as we continue to expand focused services, supports, and opportunities for all students.

#### Our Philosophy

Springs Charter Schools was created by and is operated by parents. We understand that every child is on a personalized educational journey. Our talented teachers work hard to incorporate a rich diversity of skills development, curriculum, and extracurricular activity into each day. Our staff works hard to direct resources where our students need them most. As charter schools, we are part of the solution to a better education system.

We value

- Parent choice and involvement
- Using the community as the classroom
- Fostering a child's innate creativity
- Collaborating to achieve goals
- Building relationships
- Personalizing learning

## **The River Springs Community**

River Springs Charter School has been authorized by through Riverside County Office of Education (RCOE) since 2007.

RSCS serves TK-12<sup>th</sup> grade students residing in Riverside County and the four contiguous counties. Of the 5,900 students served by RSCS, the majority reside in Riverside County (96%) with additional populations of students residing in San Bernardino County (2%), and San Diego County (2%). Total current enrollment is 5,905 students.

Riverside County has the fourth largest population in California with over two million residents and has experienced a high population growth of 6.4% over the past several years. According to 2014 census data, the reported ethnic majority is predominantly split between white (37%) and Hispanic/Latino (47%). The median household income is \$56,529. Education levels of residents over the age of twenty-five who hold a bachelor's degree or higher is at 20.5% countywide.

## **LCAP HIGHLIGHTS**

Identify and briefly summarize the key features of this year's LCAP.

The 2017-18 LCAP has changed vastly from previous years due to the introduction of the CDE Dashboard and other internal factors. In all cases, the goals have been stream-lined to ensure accountability, less complicated budget reconciliation, and precise alignment with state/local priorities and achievement data.

The combination of stakeholder feedback and committee recommendations have produced a well-rounded document that includes goals for all students along with specific goals for qualifying students (unduplicated pupils). While the charter's goals are expansive, they are also founded on what's best for students and aligned with our mission.

In the current document there are a number of changes, the most notable are:

- Additional goals for qualifying students (unduplicated pupils, foster youth, homeless youth, socio-economically disadvantaged/low income, English Learners, and students with disabilities)
- Goals that include maintaining or increasing "change" rates based on the Dashboard
- Stream-lined goals to ensure accountability and to ease communication with stakeholders
- Expected Annual Measurable Outcomes (EMAOs) are more precise
- All goals/action/services that are included meet at least one criteria: data-driven decision making, stakeholder feedback, and/or state priority
- If there is little or no baseline data in an area, the charter will still expect the processes/practices to be completed
- All state priorities are listed
- All Dashboard data has an aligned goal
- Each goal is research-based or aligned to best practices
- Staff development is more precisely outlined to ensure goal achievement
- Experts in each area assisted in goal development to ensure buy-in and, ultimately, goal-achievement
- In areas where internal data is noted, the charter will be adding this to the Dashboard under local identifies to ensure transparency, as appropriate
- All annual updates were given by experts in that particular area

- Budget allocation was completed by the business department in coordination with the annual budget planning and the LCAP committee
- Annual update estimated expenditures were carefully documented throughout the year to ensure clean and transparent transactions for audit

## REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

## GREATEST PROGRESS

The greatest progress made this year was:

- Hiring and training of Assistant Classroom Educators (ACES). Across all stakeholder groups, the addition of the adult in every K-5<sup>th</sup> grade classroom, and having a known adult on the playground, has been extremely beneficial.
- The access to technology scored the highest on the stakeholder feedback survey for being “used and useful.” This will remain a high priority budget item.
- The addition of STAR teams for educating the whole child, working with qualifying (unduplicated) pupils, and social-emotional health has been extraordinary. This support for students scored high amongst those surveyed during a board/community meeting. While these teams serve two purposes (outlined below), each are highly valuable to the charter, and the students.
- The value of the Dashboard data was well-received by administration and the Board. While the college/career ready indicator is still in discussion at the State level, the Charter has modified high school goals to meet SBE discussed areas to ensure readiness.
- Internal data sets were valuable to staff during “data days” and PLCs to find areas where personalized learning would benefit.
- The personalized learning cohort #4 for teachers completed their first year requirements and the charter looks forward to another cohort group and moving into a “master class” in future years.
- Marketing events have grown substantially and have not only helped with charter enrollment, but have spread the word about charter schools across the county to help the movement at-large.
- Four more Principals have completed the high-level training program, while nine continue with the executive coach for follow up

- Students, according to survey data, overwhelmingly love their sites and feel safe when at their center.
- Homeschool families loved the increased personalized learning package.
- High school courses have been refined and moved into a more user-friendly course management system, Canvas. The charter looks forward to revising these to be mastery-based.
- “Make it – Take it” hands-on curriculum was loved by academy elementary teachers and feedback indicates that it will remain a priority item for future years.
- Students and parents are now more familiar with common core standards and question types on the CAASPP.
- Career-Technical Education (CTE) courses and internships continue to be popular among high school students. Each year the charter looks forward to adding more variety to the coursework and internship partnerships.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

## **GREATEST NEEDS**

The new state accountability dashboard indicates that the overall school suspension rate is “Medium” and “increased,” identified as orange; English Learner subgroup is identified as red and 6 out of 9 remaining subgroups are orange. The school will focus on lowering suspension rates in 2017-18 through multiple initiatives. As recognized in Goal 3B, the whole child will be supported through various means including: Social/emotional groups led by counselors, STAR Team Meetings (including counselors, support staff, and special education teachers) to support students with behavioral and social needs, MTSS specific staff development training focused on social well-being and supports for students in and outside the classroom. Support efforts will be measured by a decreased suspension rate, as calculated on the Accountability Dashboard change rate.

For ELA and math, the SWD subgroup is red. This area of need is addressed in goal 5C, 1B, and 1C. In addition, in the Mathematics category, the English Learner subgroup and African-American subgroup are orange. The African-American subgroup needs are addressed in Goal1C; EL subgroup needs are addressed in Goals 5C and 1C.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

## **PERFORMANCE GAPS**

The dashboard indicates that the students with disabilities (SWD) subgroup is performing significantly lower in the ELA and Math categories, identified as a “red” group in comparison to “yellow” for all students. The school will focus on increasing ELA and math performance for SWD, as evidenced in Goals 1C and 5C. Teachers and homeschool education specialists will have planning meetings in one-to-one and small groups through STAR groups to ensure IEP goals are met while tracking and monitoring data throughout the year using OARS mastery quizzes and i-Ready. Collaboration will count on "first, best instruction" to mirror general education goals by utilizing PLC groupings.

**INCREASED OR IMPROVED SERVICES**

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

The charter increased and improved services for low-income, English learners and foster youth in the following significant ways:

1. Hired an Assistant Classroom Educator (ACE or aide) for every K-5<sup>th</sup> grade academy classroom. Completed ACE training over 10 days in August 2016 to ensure increased services for these specific groups of students.
2. Increased MiFi services so that students can access technology when not at a resource center.

**BUDGET SUMMARY**

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures for LCAP Year	\$7,093,590
Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$7,411,442

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

There are a multitude of expenditures that are included in the budget, but not in the LCAP. Some of the most significant are:  
 Teacher (general and special ed) salaries and benefits for non-development days  
 Classified salaries and benefits, except for ACES  
 Rents, utilities, and overall building costs that are not security/safety related, copiers, office supplies, servers, phone systems, janitorial, and all other building related costs  
 Legal, business contracts not related to instruction, oversight costs, and other overhead

# Annual Update

LCAP Year Reviewed: 2016-17

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

## Goal 1

Support transition to Common Core State Standards and the California Assessment of Student Performance and Progress (CAASPP) through curriculum alignment and teacher/parent training on best practices.

State and/or Local Priorities Addressed by this goal:

STATE  1  2  3  4  5  6  7  8

COE  9  10

LOCAL Charter doc: 1 (p 4-5, 24-28); 2 (p 4-10, 19-22, 39-44), 3 (4-5, 24); 4 (p. 19-23, 41), 5 (3-5, 28-29); 7 (p. 5-21); 8 (p. 21-22)

### ANNUAL MEASURABLE OUTCOMES

#### EXPECTED

Ensure the Charter's curriculum progress and training through research-based best practices until 100% implemented. The Charter expects to keep CAASPP participation above 95%. The Charter will base academic performance on the State API calculated growth rate (once implemented). Until API implementation, the Charter will use CAASPP performance level data. The charter will increase EL proficiency and re-designation to meet or exceed the State's growth rate.

#### ACTUAL

The charter made great strides in curriculum progress through mastery lab creation, ELD high school development, mastery courses, make it-take it, integrated grade 11, and Spring Into Math grades 5 and 8. Overall CAASPP met/exceeded percentages increased in both ELA and math.

See specific data in action/service "actual" sections.

Action

## A

Actions/Services

#### PLANNED

Refine the Common Core-based curriculum, which incorporates modular units to scaffold and support all students, including struggling students who are in remote areas.

Continue development of common core high school integrated courses into grade 11.

#### ACTUAL

Math Mastery Lab created for struggling students in grades 8-12.

ELD high school curriculum under development.

Mastery Courses for each K-8 I CAN under development.

Integrated 11 complete.

Continue to develop additional instructional video lesson support to Middle School Math curriculum for grades 5 and 8.

Spring Into Math grades 5 and 8 complete.

Expenditures

BUDGETED

\$620,000

ESTIMATED ACTUAL

\$666,526

Action

**B**

Actions/Services

PLANNED

Use CAASPP performance level data and API (once implemented) as a measure of student achievement by individual, school-wide, significant subgroup, and teacher.

Increase student achievement by at least 3% or state API growth rate (once implemented). Other measurable assessments will include research-proven diagnostic, end-of-course, and benchmark exams.

Each year review all assessment vehicles to ensure student achievement growth and quality and consistency of data.

ACTUAL

Our overall CAASPP scores increased from 42% to 46% in ELA and from 28% to 30% in Math from 2015 to 2016 (students who met or exceeded the standard).

On the new state accountability rubrics, we are yellow for both ELA and Math, which is "medium" on the color scale.

i-Ready 2nd window results have been analyzed. Schoolwide ELA Milestones 1-2 analyzed for trends; main idea was addressed at 3/10 Data Day. Working on analysis of schoolwide Math Milestones.

Expenditures

BUDGETED

\$3,000

ESTIMATED ACTUAL

\$ 38,216

Action

**C**

Actions/Services

PLANNED

Develop staff on Common Core implementation through five staff development/data day trainings each year. Further develop staff through four PLC days each year.

ACTUAL

I CAN! vertical alignment done for ELA and shared with teacher. Math alignment shared via Achieve the Core. Workshop held at 2/17 Data Day "Deep content Understanding" to put both into action. Consistent CCSS development included in each site based PLC agenda including resources and tools for instruction/assessment.

Expenditures	<b>BUDGETED</b> \$70,000	<b>ESTIMATED ACTUAL</b> \$ 44,246
--------------	-----------------------------	--------------------------------------

Action **D**

Actions/Services	<b>PLANNED</b> Increase EL proficiency in both English-Language Arts/Literacy and mathematics by 5%, using performance level data, or state API growth rate (once implemented), through further staff development on EL/ELD best practices. Increase EL re-designation rate by 5% each year through the use of shadow courses, ELD designed curriculum, and i-Ready online diagnostic instruction. Create ELD "I Cans" for all grades to align to common core standards for grades K-3. Train staff during staff development days (noted above).	<b>ACTUAL</b> The English Learners have increased on CAASPP in both ELA and Math from 2015-2016 results. ELA increased from 9% to 12% of English Learners scoring at level 3 or 4 and Math increased from 6% to 9% of English Learners scoring at level 3 or 4.  On the new state accountability rubrics, the English Learner Indicator is blue, which is the highest color ranking. This data is based on progress measured by CELDT. On the ELA Academic Indicator, our EL subgroup is yellow, which is medium; and on the Math Academic Indicator, our EL subgroup is orange.
------------------	---	---

Expenditures	<b>BUDGETED</b> \$67,000	<b>ESTIMATED ACTUAL</b> \$ 43,702
--------------	-----------------------------	--------------------------------------

Action **E**

Actions/Services	<b>PLANNED</b> Present parent trainings on Common Core standards and best practices. Each training will be advertised through multiple outlets and done electronically, in large groups, in small group and/or one-to-one settings.	<b>ACTUAL</b> CSI is an online parent course that trained families about the common core. Parent certification and SPREE events also included trainings regarding common core.  Homeschool prep offered new families additional trainings upon enrollment.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall implementation was successful in the following areas:  
 Math mastery lab, Integrated 11, Spring Into Math grades 5 and 8, CAASPP results increases, I CAN vertical alignment, CCSS development, EL CAASPP increases, CSI online parent courses, and make it-take it workshops.

Overall implementation for the following are still ongoing, as expected:  
 ELD high school curriculum and i-Ready milestone data for window 2.

The only challenge was getting parents to attend the common core trainings. Although the charter did advertise, only Homeschool parents attended. However, based on survey results they found it to be useful information.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Through the actions/services, the overall goal was effective. As shown in our CAASPP results (see action/service B). Survey data from all stakeholders also had an overall positive response to effectiveness with the majority finding it used and useful.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

River: there were no material differences between the budgeted expenditures and the estimated actuals within the over-arching goal.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Based on the annual review, analysis of data, and stakeholder feedback, there are quite a few changes within the actions/services for goal 1 in the 2017-18 LCAP (as shown below). Most notably, the charter has split ELA and math into different actions to allow for streamlined results and parent trainings on common core (while still available to parents) is no longer a goal since the budget data shows that many have transitioned and assessment results show that students are achieving.

# Goal 2

Increase the percentage of 3rd-8th grade students scoring proficient or advanced on school-wide standards- based assessments in English-Language Arts/Literacy and mathematics across all significant subgroups.

State and/or Local Priorities Addressed by this goal:

STATE  1  2  3  4  5  6  7  8  
 COE  9  10  
 LOCAL \_\_\_\_\_

## ANNUAL MEASURABLE OUTCOMES

### EXPECTED

Annual progress of 5% as measured by performance level growth or API

### ACTUAL

The percentage of students classified as having "met" or "exceeded" standards on CAASPP increased from 42% to 46% in ELA and from 28% to 30% in Math from 2015 to 2016.

ST Math and i-Ready use has increased. Boxed sets were revised and state interim assessments were completed. ACES were hired, trained, and worked in the classroom.

Action

# A

Actions/Services

**PLANNED**  
 Increase the use of ST Math, Math XL, i-Ready (K-8), i-Ready diagnostic (K-8 and struggling 9-12), and other online programs by 5% to personalize learning and provide necessary support in math and English-language arts/literacy.

**ACTUAL**  
 More students are using ST math along with a pilot group we started to study growth that corresponds to the program. ST Math is now mandatory in all academy programs. I-Ready use has also increased by more than 5% charter-wide.

Expenditures

**BUDGETED**  
 \$410,000

**ESTIMATED ACTUAL**  
 \$ 480,127

Action **B**

Actions/Services	<p><b>PLANNED</b> Increase by 5% the number of 3rd-8th grade students scoring proficient or advanced on CAASPP through targeted assessments which are aligned to Common Core and Smarter Balance test item types</p>	<p><b>ACTUAL</b> The percentage of students classified as having "met" or "exceeded" standards on CAASPP increased from 42% to 46% in ELA and from 28% to 30% in Math from 2015 to 2016.</p>
Expenditures	<p><b>BUDGETED</b> Included in previous action/service (2A)</p>	<p><b>ESTIMATED ACTUAL</b> \$ 105</p>

Action **C**

Actions/Services	<p><b>PLANNED</b> Analyze results and refine ELA and Math curricula and selection with RSP teacher to support designated students through targeted implementation. Increase communication between SAI, teacher/ES, and parent through at least one personalized planning meeting each year.</p>	<p><b>ACTUAL</b> This was completed in 16-17 and did help to increase communication. However, this goal has been refined for future years to ensure even more data-driven decision making in this process.</p>
Expenditures	<p><b>BUDGETED</b> \$5,200</p>	<p><b>ESTIMATED ACTUAL</b> \$ 10,225</p>

Action **D**

Actions/Services	<p><b>PLANNED</b> Annually revise Homeschool boxed sets pacing guides to include updates based on stakeholder feedback, ensure accuracy, and update writing performance tasks (including rubrics). Ensure</p>	<p><b>ACTUAL</b> Kindergarten Moving Beyond the Page (MBTP) was phased out and new pacing written for its replacement. MBTP pacing is being revised again for mastery-based practices.</p>

	each unit culminates with a graded writing activity.	
Expenditures	BUDGETED \$15,000	ESTIMATED ACTUAL \$ 60,207

Action **E**

Actions/Services	<p><b>PLANNED</b></p> <p>Ensure student familiarity with CAASPP assessment item types by revising the parent/student test prep resources and teacher training.</p>	<p><b>ACTUAL</b></p> <p>During Milestone 3, teachers will look at a variety of item types in the Interim Assessment. The school also included a page of resources for strategies, academic language support, and test prep on the 2017 Academy Personalized Learning Portal.</p> <p>Parents received a brochure outlining CAASPP, including question types.</p>
Expenditures	BUDGETED \$10,000	ESTIMATED ACTUAL Other goal actuals cover these expenditures

Action **F**

Actions/Services	<p><b>PLANNED</b></p> <p>With the pilot year complete, fully implement State Interim Assessments with all applicable teachers. Training will be completed during PLC days. Administrative team will train teachers using best practices, a mentor model from pilot group, and hands-on activities to ensure consistency in testing and grading across all levels.</p>	<p><b>ACTUAL</b></p> <p>Began with pilot group in 2016 school year. The pilot cohort was trained by the Director of Assessment to administer and score the Interim Assessments. Additionally, all 10th grade students were given the Interim Assessment; a group of teachers were trained to hand score written responses for 10th grade.</p> <p>In the 2017 school year, we asked for teachers to volunteer to train and use the Interim Assessments in academies. The charter school had a small group of teachers participating.</p>
------------------	---	---

		Interim and CAASPP results will be analyzed for continuity once 2017 CAASPP scores are received.
Expenditures	<b>BUDGETED</b> Included in staff development goal (1C).	<b>ESTIMATED ACTUAL</b> Included in staff development goal (1C).

Action

**G**

Actions/Services	<b>PLANNED</b> Hire, train, and support instructional aides for all K-8th grade academy classrooms to support all students. Specialized training will allow targeted instruction for students with disabilities, English Learners, and socio- economically disadvantaged students, and those students requiring MTSS/RTI support.	<b>ACTUAL</b> Assistant Classroom Educators (ACEs) were hired and trained for all K-5th classrooms. There was an initial 10 day training in August 2016, and training is ongoing.
Expenditures	<b>BUDGETED</b> \$1,800,000	<b>ESTIMATED ACTUAL</b> \$ 1,111,298

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall implementation was successful in the following areas:  
Increased use of ST math and i-Ready, increase 3<sup>rd</sup>-8<sup>th</sup> grade students CAASPP scores, revision of homeschool curriculum, familiarity with CAASPP for parents/students, administration of interim assessments, and hiring and training of ACES.

Overall implementation for the following are still ongoing, as expected:  
Milestone 3 data, revision of curriculum to make it mastery-based, and increased communication between SAI and teacher/ES.

The main challenge was implantation practices to increase Special Education achievement. With an high turn-over of staff and an enormous influx of moderate/severe students, the charter is revising the previous goal in 2017-18 (see new goal 5 below).

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Through the actions/services, the overall goal was effective. As shown in our CAASPP results (see action/service B). Survey data from all stakeholders also had an overall positive response to effectiveness with the majority finding it used and useful.

The ACES were extremely well-received with very positive remarks from students, parents, and staff. The implementation of this action was extremely valuable and will be maintained for future years. The charter will also work with ACES on additional training to serve the UPC students to ensure subgroup and individual success.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There was a material difference and actual expenditures coming in much lower than originally budgeted. This is because the charter had originally planned to hire ACES for all grades K-8 and chose to only hire them for grades K-5 only. The charter maintains part time math aides in grades 6-8.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Based on the annual review, analysis of data, and stakeholder feedback, there are quite a few changes within the actions/services for goal 2 in the 2017-18 LCAP (as shown below). Most notably, the charter moved the Special Education action under a different goal (qualifying students) with more significant expected outcomes. Based on stakeholder feedback, there was a removal of a couple of goals that were no longer needed now that the transition to common core is more complete.

# Goal 3

Support college and career readiness for all students in grades 9-12 by increasing enrollment in CTE courses, A-G approved coursework and sequence, and improving EAP passing rates (exemptions).

State and/or Local Priorities Addressed by this goal:

STATE  1  2  3  4  5  6  7  8

## ANNUAL MEASURABLE OUTCOMES

### EXPECTED

Support college and career readiness for all students in grades 9-12 by increasing enrollment and successful completion of: CTE courses by 5%, A-G approved coursework and sequence by 5%, dual/concurrent enrollment by 3%, Golden State Merit Diploma by 3%, SAT by 5%, Advanced Placement to meet or exceed state averages, and EAP passing exemptions by 5%.

Data Quest indicates that 39.3% of 2015 graduates completed the UC/CSU required courses; 42.8% of 2016 graduates completed. This is an increase of 3.5%.

#### Concurrent Enrollment:

RIVER – Not Met

Concurrent Enrollment course completion has decreased by 3% from 2014-15 to 2015-16 (33 courses completed in 2014-15; 32 courses completed in 2015-16).

#### Golden State Merit Diploma

RIVER - Met

Baseline data for 2017 indicates that 29 of the 181 current seniors are eligible for the Golden State Merit Diploma. This is 16% of the graduating class; an increase of 9 percentage points since 2015. (2016 data is not available at this time.)

**SAT:**

RIVER - Met

SAT participation grew from 53 in 2014-15 to 86 in 2015-16 (Data Quest) = 62% increase.

**AP Program**

RIVER - Met

In 2015-16, 32 students completed one or more AP courses. Of those, 21 students attempted 31 coordinating AP exams; 11 students passed one or more exams with a score of 3 or higher. This means 52% of the AP students earned a score of 3 or more on at least one exam. This is a significant increase from the 2015 rate of 25%.

**EAP Passing Exemptions:**

Action **A**

Actions/Services	<p><b>PLANNED</b></p> <p>To increase college/career-readiness, the charter will further develop and advertise course offerings in the areas of Career-Technical Education (CTE) and internships. The goal is to maximize CTE articulated pathway offerings and increase internship participation among our high school students. The charter will advertise concurrent and/or dual enrollment opportunities to all high school students. ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall implementation was successful in the following areas:  
Increased CTE course participation and courses offered, SAT participation (when applicable), EAP exemption rates, concurrent enrollment, math mastery lab, a-g course submission, golden state merit diploma advertisement, and participation in SAT (when applicable).

Overall implementation for the following are still ongoing, as expected:  
A-g course completion, concurrent enrollment, and courses transitioned to Canvas.

The main challenge was assuring that all high school students have a complete a-g transcript. The charter is working diligently on this goal in future years to align with new Dashboard college/career ready standards currently under discussion at SBE.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Through the actions/services, the overall goal was effective. As shown in our results (see actions/services above for detail). Survey data from all stakeholders also had an overall positive response to effectiveness with the majority finding it used and useful.

The charter will continue to work on high school goals to achieve all goals as outlined in future years. While the majority are being met, there is room for improvement.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There were no material differences between the budgeted expenditures and the estimated actuals within the over-arching goal.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Based on the annual review, analysis of data, and stakeholder feedback, there are quite a few changes within the actions/services for goal 3 in the 2017-18 LCAP (as shown below). Most notably, the charter has stream-lined goals to more accurately align with the new Dashboard college/career ready indicator. See new actions/services below for further detail.

The main challenge was aligning bullying programs to be stream-lined across the charter. The new goal in the 2017-18 will assuredly achieve an even more prosperous outcome.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Through the actions/services, the overall goal was effective. As shown in our results (see actions/services above for detail). While stakeholders agreed that all actions met or exceeded expectations, the charter has collapsed the social-emotional program and bullying prevention program into one goal for future years as this is seen as a cause/effect relationship for suspension and discipline issues.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall implementation was successful in the following areas:  
Increasing technology, additional online CTE courses, staff training on tech tools, and live binder.

Overall implementation for the following are still ongoing, as expected:  
Staff training on tech tools

The main challenge was getting parents to use Live Binder. As it's not as well received, we have removed it from the goals for the 2017-18 LCAP. However, the chromebook and use of technology was very well liked, so much so that it was the highest rated action on all surveys.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Through the actions/services, the overall goal was effective. As shown in our results (see actions/services above for detail). While stakeholders agreed that all actions met or exceeded expectations, the charter has deleted the Live Binder goal and mandated the staff tech tools training for all teachers. The survey data shows that the over-arching goal was extremely effective.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There was a significant material difference between the budget and actuals due to the popularity of the 1:1 chromebooks for Homeschool students. While it has always been offered for grades 3-11, the charter opened it up to grades TK-12 this year. Nearly every student requested a chromebook from all grade levels. While there was a significant budget difference, the charter is pleased overall with the use of technology.

Based on the annual review, analysis of data, and stakeholder feedback, there was one significant change within the actions/services for goal 4 in the 2017-18 LCAP. The charter has deleted the Live Binder goal as there are other more useful tools, according to stakeholder feedback.

### PLANNED

Continue to contract with an established, highly successful group who study successful urban (Socio- economically disadvantaged and English Learner) schools across the country for best practices. These consultants will work intensively with Directors to develop and support best practices with these particular subgroups. Selected charter staff person will also be a part of the training and learn the support systems in order to ensure continuity and longevity of the program.

### ACTUAL

This is the fourth year working with NCUST. Currently nine principals are working with our executive coach in some capacity. Four principals from year 3 cohort meet 1:1 with the coach two times per year. The 4th year cohort includes 5 principals. This group meets monthly, rotating student centers. ## ANNUAL MEASURABLE OUTCOMES

### EXPECTED

The Charter will continue to support parent choice and personalized learning for 100% of students through keeping alignment with the charter where it states "parents will be the primary educator for their child." The Charter will annually publish attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduation rates, suspension rates, and expulsion rates via the School Accountability Report Card (SARC) on the charter's website. Since the Charter is independent study, measurable outcomes for these items will include increasing resource center attendance by 3% each year, maintaining attendance rates above county averages, decreasing middle school and high school dropout rates and graduation rates by 1% accountability measure growth each year. The charter will keep suspension and expulsion rates under county averages.

Homeschool student package was increased.

The Homeschool Director and 4 Homeschool Education Specialists have been much more active on all social media, and marketing events took place for the spring marketing season.

Two of the assigned homeschool Education Specialists led focus groups to discuss marketing ideas.

Actions/Services

**PLANNED**  
 Develop and implement a coordinated communication plan which promotes and informs parents of all of the varied options at the Charter (marketing). Ensure any interested parents are aware of all offerings and best uses.

**ACTUAL**  
 Marketing and awareness is an ongoing project. This year's marketing efforts included mailers to existing families with information about our programs and a map of all locations. In addition, the charter continued the Daily Refreshment emails. For new/potential families, promotional materials were sent to entire zip code areas. Families who had expressed interest in our programs - but had not completed applications - received follow up materials.

## ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall implementation was successful in the following areas:  
 Increased learning center enrollment, good attendance rates, above average suspension rates, active personalized learning cohort, homeschool student package was well-received, and a coordinated communication plan.

Overall implementation for the following are still ongoing, as expected:  
 Active personalized learning cohort

There were no challenges within this goal.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Through the actions/services, the overall goal was effective as shown in our results (see actions/services above for detail). While stakeholders agreed that all actions met or exceeded expectations, the charter has changed the coordinated communication plan to better reflect marketing efforts.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There was a significant material difference between the budget and actuals with lower than expected expenditures in the homeschool package rates. While the homeschool growth was good, it was slightly lower than expected. Also, parents did not use all of the funds they were given; thus, lowering actual costs.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Based on the annual review, analysis of data, and stakeholder feedback, there are some significant changes within the actions/services for goal 7 in the 2017-18 LCAP. In an effort to meet the new Dashboard calculations, many of the actions within this goal are now moved into other goals with more detailed plans (see below). The marketing efforts have increased significantly and that is detailed in the new plan to show our actual efforts.

# Stakeholder Engagement

LCAP Year  2017–18  2018–19  2019–20

## INVOLVEMENT PROCESS FOR LCAP AND ANNUAL UPDATE

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

**Stakeholder Committee:** The stakeholder group helped to develop and refine goals based on the state priorities and chartering document. The Committee also assumed the role of data analysis and revisions in order to complete the document. This process involved multiple people who are experts in their field for input on their particular goals (ie: Special Education). Each stakeholder involved refined the goals based on their expertise. The Committee members also attended trainings throughout Southern California to ensure familiarity with LCAP processes. At the end of the process the Committee met again and solidified all of the goals based on ALL of the feedback received.

**Board/Community Training/Meetings:** During this public session in May the staff reminded the Board of the reasons for the LCAP document and the impact. During this presentation state priorities, charter vision, the new Dashboard, and stakeholder ideas were outlined. During public session each person in attendance was given a chance to vote on which action/service they thought was the most valuable to our students. Each person individually chose one action/service per overarching goal.

**Authorizer Feedback:** The Stakeholder Committee also looked at authorizer feedback from prior years (if given) to ensure all items were properly submitted based on their evaluation.

**The Community-At-Large:** The community was given a lengthy online survey describing the LCAP process with an outline of the seven goals. The seven goals were then separated into action/services where each participant was asked if each focused resource (provided by the school) was: used and useful, used and not useful, not used, or unknown. These survey results (aggregated) are as follows:

For each of the seven LCAP goals, stakeholders were asked how well they think Springs Charter Schools are doing to provide services and resources to students:

	<b>%* stakeholders who say we are “exceeding expectations” or “doing well”</b>	<b>Highest rated resources for being “used and useful”</b>	<b>Lowest Rated resource; voted “used but not helpful”</b>
(1) Common Core Transition	87%	I CAN Trackers, Common core aligned textbooks	I CAN Trackers
(2) Assessment	84%	i-Ready diagnostic, ST Math	OARS Milestone Quizzes
(3) College & Career Readiness	82%	Meeting with a counselor; A-G Sequence	SAT / ACT exam

(4) Student Safety	90%	Safe and maintained facilities	National Honor Society
(5) Engaging Students	89%	Chromebook Access Online course access	Moodle platform
(6) Support for Struggling Students	74%	Personalized learning	i-Ready instruction
(7) Personalized Learning	90%	Personalized Learning Plans	Passion Projects

*\*Stakeholders who responded "I don't know" and "not applicable for my student" are not included in percentages*

## IMPACT ON LCAP AND ANNUAL UPDATE

### How did these consultations impact the LCAP for the upcoming year?

After the survey was complete, the Committee analyzed the data and changed the action plan per this feedback. The findings suggested that some of the actions needed to be further defined, deleted, or have additional items. Findings also led to the stream-lining of goals (from seven to six) and action/services aligned more clearly to stakeholder needs and budget. The committee used the feedback and revised the document tremendously.

Some examples include:

- Making math achievement a singular goal
- Making ELA achievement a singular goal
- Ensuring PLCs and professional development were all under a singular goal with clarified outcomes
- Adding resources to socio-emotional programs
- Ensuring STAR teams were directly impacting students
- Deleting Live Binder and other curricula that were seen as not useful or unknown
- Additional goals for qualifying students; and making goals more clear and stream-lined
- More complex goals for Special Education
- Adding "measures" to every sub-goal

In essence, every goal within this document was either refined or changed for this new version of the LCAP. Now that there are a number of years of experience with the document and the outcomes, the Committee has the expertise to ask better survey questions, analyze results, and refine all portions of the LCAP to better meet the needs of students, staff, and the community.

In order to increase math and ELA CAASPP achievement, teachers/ESs will have planning meetings in one-to-one and small groups through STAR groups to ensure IEP goals are met while tracking and monitoring data throughout the year using OARS mastery quizzes and i-Ready. Collaboration will count on "first, best instruction" to mirror general education goals by utilizing PLC groupings.

## Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year

2017–18  2018–19  2019–20

Estimated Supplemental and Concentration Grant Funds:

Supplemental \$4,358,334  
no concentration

Percentage to Increase or Improve  
Services:

10.27%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).

All students will receive the services as written in goals 1, 2, 3, 4, and 6 above.

**Goals 5A, 5B, 5D, 5E are specific and principally-directed for unduplicated pupils as per the action narratives.** Unduplicated pupils will specifically receive services above and beyond the other students, to ensure the charter effectively meets its goals for these qualifying students.

In summary, these goals include:

Continue contracting with urban schools group who specifically coach Principals for unduplicated pupils, increase number of participants;

Continue to increase number of MiFis being used by students who do not have internet access at home; and

Continue to hire and train Assistant Classroom Educators (ACES) for all academy classrooms grades K-5.

Increase services to English Learners.
