Program Information

"YOUNG PEOPLE'S CONCERT"

San Diego Symphony
Sameer Patel conductor

The Science of Sound

San Diego Symphony offers a creative learning opportunity in a concert format designed especially for elementary and middle school students to introduce them to the world of classical music.

Find out ABOUT science in MUSIC and the MUSIC in science. Put on scientist's goggles and look at the DNA of music and how it move us. Imagination required!

Field Trip Study Guide available. You will need your canvas log in. <https://canvas.springscs.org/login/canvas>
