## Program Information

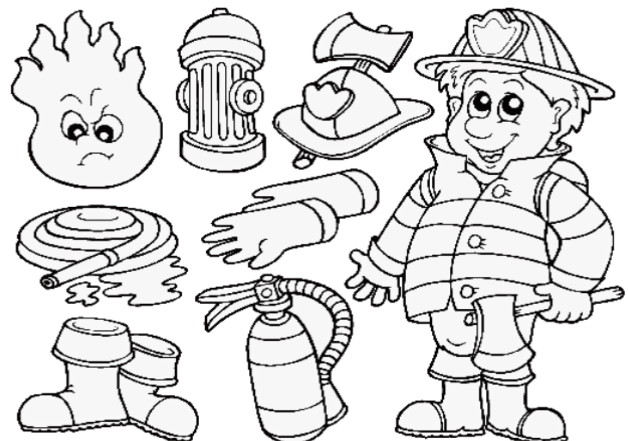

# SOUND THE ALARM!

This time of year is a time to remember our community heroes and learn how they serve and protect us each day.

During the Fire Station tour, kids will have the opportunity to meet firefighters, paramedics and emergency medical technicians, as well as see the equipment used to keep our neighborhoods safe. There will be a fire safety and prevention presentation; There might even be the chance to sit on the fire truck.

Prior to the trip, students can brainstorm what they believe they will see and compose questions for the firemen.

Can you  
name and  
color us?

**Please be aware that the fire station is on call at all times, so if they need to respond to a fire, the tour will be cut short or cancelled.**
