FROGZ

What if arms were legs? What if the laws of gravity were repealed? Wouldn't you begin to question everything you saw? Get ready for FROGZ. In this most popular of Imago Theatre's productions, a troupe of seven highly skilled athletes fill our eyes with sights the likes of which we may not have seen before.

FROGZ put Imago on the international map. The simplicity and the charm of the show catapulted the production to two Broadway runs at the acclaimed New Victory Theatre in 2000 and 2002. Variety Magazine called it "Felliniesque mayhem." The New York Times raved "A mastery of mime, dance and acrobatics." *Recommended for ages 3 and older.*
